

Customized Option

OEM Production:

We warmly welcome your OEM order for all products.

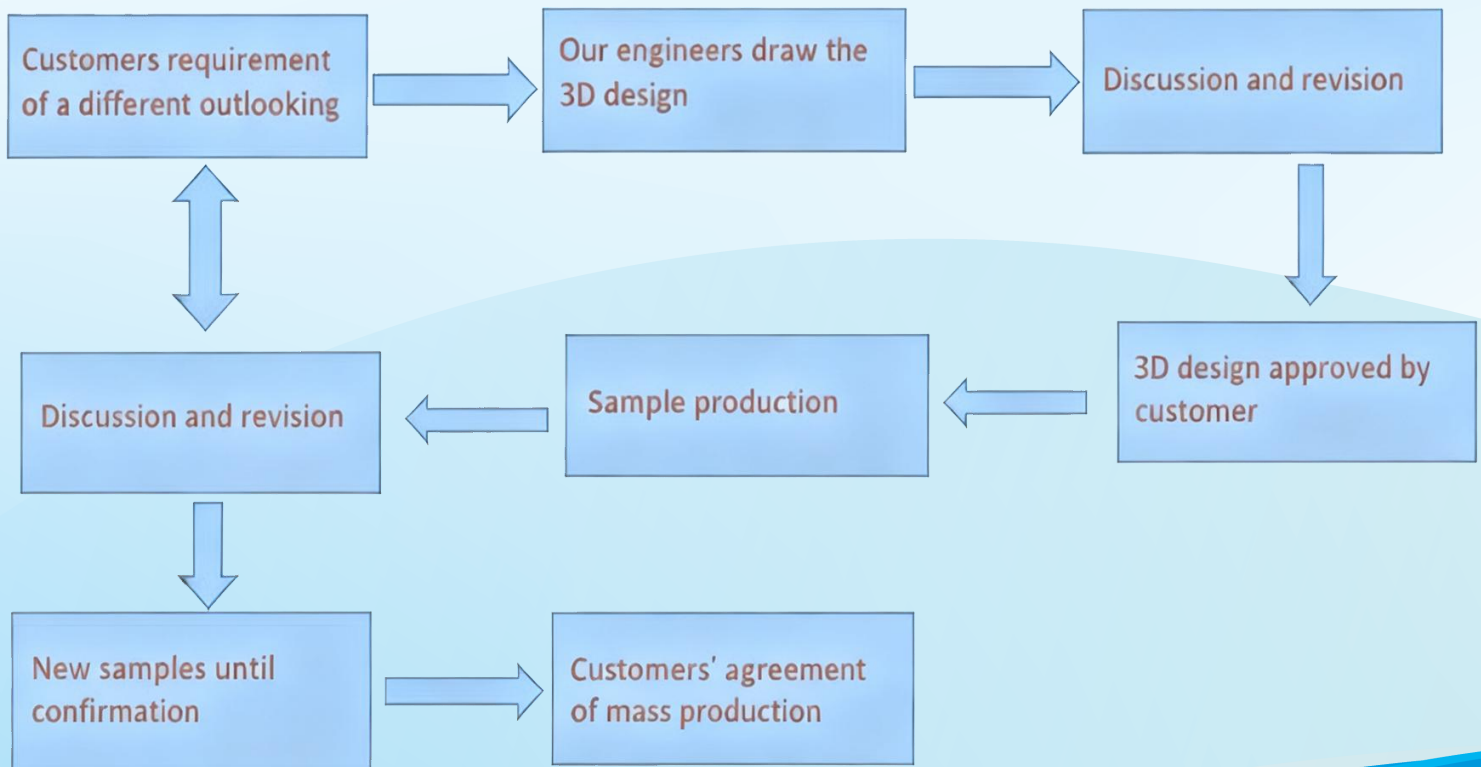

Brand printing on products is free of charge.

For any brand packing requirement, we will strictly design and produce the packing according to customers' requirement. We will enquire and quote the lowest cost of mould for packing to save cost for customers.

Brand packing ways are including the following: brand bags, brand inner/ outer color boxes, brand plastic boxes.

ODM Orders:

The procedure:

OEM Production:

We have an efficient engineer and sales team. For every requirement of design and revision, we will work it out within a short time. Usually the whole procedure can be finished within a month time or even shorter if the product structure is not too complicated.

OEM Production:

We are quite confident that our cost of ODM will be one of the lowest wordwidely, for we will never charge you if there's no need to open a mould. Even if there's need to change the outlooking and function of a product, we will always consider budget saving for our customers. For more details, kindly do not hesitate to contact us.
